

Traveler Services

Doctors Making Housecalls (DMHC) is a medical practice providing discreet concierge medical consults to both domestic and international travelers visiting the state of North Carolina. Our experienced, board-certified clinicians have special expertise in caring for individuals with unique and complex needs, in a confidential and professional manner.

Please visit our website www.doctorsmakinghousecalls.com to learn more about our practice.

Services are available 24 hours a day, 7 days a week, 365 days a year

We will come to your hotel or other location to treat you

DMHC Clinicians can treat most any medical condition; however, we do not provide emergency services; for a medical emergency, please dial 9-1-1
