

Thank you, Dr. Stephanie Perry and Dr. Andrea Gilroy, for your excellent service when you each visited my home this summer. You both were professional and most kind. I really enjoyed meeting you.

I am so happy to be signed up with Doctors Making House Calls. You have come highly recommended. Our experience with you makes us understand why.

We hope you will all come visit our famous "Sisters Garden" in the spring! When you do, please come in to say "Hello."

Fondly,

Bernice W.

Barbara W. and Anne W. (daughters)
