Fauzia Shah is a Licensed Clinical Social Worker. Her knowledge, strength, warmth, compassion, experience, positive energy and laughter combined with her straight forward/ no- nonsense approach to problem solving is what makes her GREAT! Fauzia literally rescued my father as he was dying and expedited the first step that needed to be made in order for him to get the care he needed during his transition. That of course helped my mother and other caretakers and our family. Since my father's death, Fauzia has been a guiding light for my Mother. I extend my gratitude to you and from my sisters, as well.

Thank you for everything you have done and continue to do for all of us.

Respectfully,

R. Winstead
