Dear Dr. Sidana:

As you know, Mom has passed peacefully at home. She was very happy to be surrounded by most of her family. Thank you for your condolences.

Mom thought the world of you. And from all my interactions with you, I have also become a big fan of yours. You steered us right with excellent advice when we most needed it. You were very good to Mom. I am grateful for everything you've done for her, as are all my sisters.

I hope our paths will cross again very soon. I am planning to move to Cary sometime next year, and I am going to need a PCP. I hope you'll consider taking me on as a new patient.

With Best Wishes to you and your family for Thanksgiving.

Warmest Regards,
Seema (daughter)
