Chief Executive Officer
Doctors Making Housecalls

January 21, 2018

Dear Dr. Kronhaus,

When my mother Mary Penrose re-located from New Jersey to Preston Point in Cary, North Carolina six years ago, we enlisted the services of Doctors Making Housecalls. It was one of the best decisions we ever made. My mother passed away on Christmas Day at the age of ninety four and on behalf of myself and my family I want to extend our thanks to your staff for their expert care, efficiency and professionalism.

My mother had the good fortune to be under the care of Surah Grumet, a truly gifted, exceptional physician whose kindness, compassion and gentle demeanor made my mother feel valued and well cared for. She always said "as soon as Dr. Grumet walks into my apartment I feel better."

Your organization is to be commended for providing the resources, skill and unsurpassed service to the elderly in our communities.

Sincerely,

Linda Calderone
