

Hi Dr. K,

I wanted to let you know my brother and I transferred dad to Brookdale Cary because we felt it would be a better fit and he would be happier there which he is. He had to go to the ER Sunday night and was just released two days ago. Dr. Heffner is now his doctor at the Brookdale Cary. She is awesome. I never met Dr. Goodnough but liked her very much from our phone conversation. So far, two for two so thank you for an awesome staff!
