

I have been most impressed with the genuine concern and compassion provided by Leanne Minnick to my mother. Leanne is a great communicator and always responsive. She makes herself available as if the patient was her own loved one. My mom, more so, I have been most impressed with the genuine concern and compassion provided by Leanne Minnick to my mother. Leanne is a great communicator and always responsive. She makes herself available as if the patient was her own loved one. My mom recently experienced a fall and some complications and Leanne responded to calls and emails Friday night and Saturday, as well as, reached out on Monday to check in. She is wonderful!
