

Date: April 9, 2018

A long thank you to all my doctors at Doctors Making House:

Dr. Kumar Nanjagowder,

Sincerely I so appreciate all the medical and personal services, I have benefited from by having you as my doc and friend over the past five years including:

- Post stroke rehabilitation with consistent OT and PT supervision.
- On going Successful Blood Pressure monitoring with medication adjustments as needed.
- Thoughtful treatment for chronic diverticulitis.
- Upper respiratory ailments kept in check.
- Support with my spouses' PD and Bipolar needs.
- Your humor and kindness handling life issues with me and my family support team.
- Your cooperation with getting me in good shape for my 6 months around the world cruise.
- Being there upon my return to find my land legs.
- Seeing to it that my spouse and I were quickly moved into an excellent Retirement Community and overseeing our care here.
- Assigning Fauzia Shah to guide me through my depression and night terrors.

AND ALL OF THIS IS DONE IN MY "HOUSE"!!

Thank you Fauzia, for being my:

- Friend, confidant, and on call 24/7 (911).
- Savior of my marriage of 57 years.
- ADVOCATE in so many aspects of my life including dealing with others whose agendas are not understandable to me.
- Mediator with an ability to work with my spouse and me on such a genuine level.
- Surrogate overseer of spouse while I was traveling.
- Encourager to analyze situations of the past and present and move forward with this knowledge especially finding my present retirement center to suit my needs.
- Energetic admirer of my wardrobe and personal appearance.

AND SO MUCH MORE!!!

Also, I appreciate the following for their support and teammanship that I have experienced while being a part of the DMHC experience.

Dr. David Fisher
Dr. Brian Futrell
Jeffrey LaFuria, PA-C
Leanne Minnick, PA-C
Dr. Andrea Gilroy

and....

all the phone receptionists who keep the office intact

Sincerely,

Sally B.
