

Dear Dr. Fisher

My husband passed
away on April 27th.
He died peacefully and
painlessly with family
and with his son &
family on his side.

I would take this
opportunity to express my
heartfelt thanks to you
and all of your team
members for well took care
of him.

I think my husband was
very lucky person to meet a
doctor like you, you and your
team members were kind.

So very grateful
for all the ways
you've been there for me
to help make
things easier.
