My Dad is a resident at The Crossings at Steele Creek in Charlotte. Mark Giarrizzi provides routine medical care to our Dad, conveniently where he lives at The Crossings. This is a tremendous help to myself and my siblings since two of us live out of the state of NC and are unable to assist in transportation to medical appointments, etc.

Our family has been extremely pleased with the care that he has received since transferring from his primary care physician to DMHC. Mark is on top of our Dad's healthcare needs/concerns and keeps us informed; he really cares!!

DMHC is a wonderful concept in healthcare and I wish that "in home" medical care like DMHC was offered in more states.

Thank you so much--
