

;) Thank You So Much! ;)

;) Dear Dr. Grumet,

October 3rd

This is a long overdue "thank you" note for your professional expertise and care. It is such a blessing that you are willing to come see us at Preston Pointe! I do not drive, so I truly appreciate "Doctors Making House calls." What a great service!

I appreciate your care and your kindness. The chemotherapy has been a challenge with those allergic reactions. The one with the first round, on September 18th, was mild compared to the one that started yesterday. GOD bless you and thank you for being very special you! With large appreciation,
Sarah Brown
